If the Bill shall not pass second reading, one-half of the fees shall be returned.

100. (1) All applications to the Legislative Assembly for Private Bills of any nature whatsoever shall require the publication of a notice clearly and distinctly specifying the nature and object of the application, and when the application refers to any proposed work, indicating sufficiently the location of the work, to be signed by or on behalf of the applicant.

(2) Such notice shall be published in *The British Columbia Gazette* and once a week in one leading daily newspaper freely circulating in all parts of the Province. The notice in such newspaper to appear on Wednesday of each week.

(4) The publication of such notice shall in all cases be continued for a period of four weeks during the interval of time between the close of the next preceding Session and the consideration of the petition.

101. Every petition signed by an agent or attorney in fact shall be accompanied by the authority of such agent or attorney in fact, and the petition shall not be deemed to be filed with the Clerk until this is done.

Fee and rental for Parcels 8369–8480 (incl.): Fee, \$100; rent, \$5 per hectare.

* Lease term, 5 years.

Whole gas spacing areas may not be split by any lease selection except in the case of an oil discovery on a drilling reservation, or where the units which may be earned dictate otherwise.

Separate tenders enclosed in sealed envelopes marked "Tender for Parcel" must be submitted.

Each tender must be submitted showing the correct names of bidders and covered by and accepted cheque, bank draft, or money order made payable to the Minister of Finance, in an amount to cover fee, rental, and bonus. It is requested that instructions be given for returning of cheques, bank drafts, or money orders covering unsuccessful bids. Cheques submitted for bonus bids should be in amounts directly related to any combination of bids being offered so as to minimize any overpayment. Issue of cheques for a refund of any amount not required is the responsibility of the Ministry of Finance and some delay in the issue of refund cheques can be expected.

Anyone may ask that, if an offer on one or more parcels is not accepted, it be considered on another parcel or parcels, provided the intent and order of choice is clearly stated, and the amount of the remittance is sufficient to satisfy the fee, rental, and bonus on the further choice.

Tenders involving slide bonus offers must only include parcels of a like kind, i.e., all permit or all lease or all drilling reservation. Any tender received contrary to this condition will not be considered.

The right to reject any or all offers received is reserved.

Dated at Victoria, B.C., on February 19, 1980.
